

INDUS FOOD TM

Source. Process. Collaborate.

8-10 January 2024, India Exposition Mart, Greater Noida, NCR, India

The Trade Promotion Council of India (TPCI) is organizing the 7th edition of 'IndusFood' to promote India best line of Agri, F&B and its allied to global buyers, to be held from 8-10 January 2024 at India Expo Centre, Greater Noida. It will be a mega trade show with the largest footprint with over 1000 suppliers and 8000 international and domestic buyers. Event brochure is enclosed and other details of the event are also available on its website <https://indusfood.co.in/>

In this edition, TPCI is inviting international exhibitors to showcase their products to a large and diverse audience of global F&B industry stakeholders. International exhibitors will get a chance to exhibit their F&B products to 5000+ verified Indian Buyers, distributors, supermarket chains and HORECA companies during this edition. This event aims to help global companies in increasing their network, and widen partnership opportunities by interacting directly with Indian food processors, Buyers, exporters and manufacturers in exploring opportunities for potential investment, joint ventures, Technology Transfer and direct export not only to within India but also in the South-Asia region.
